Collegian is 22nd auto fatal of week, Mrs. Frank Kiefer,

√ ... \venue.

An 18-year-old bulf Fark freshman was fatally injured and four others hurt, in a two car accident on the 9 at Nicholson Avenue at 8 45 p.m.

Miss Idade strginda betz, of Fort Worth Tex., died early Monday at Gulfport Memorial Hospital, having been taken there after receiving emergence treatment at Hancock Gein the March of Lines Inneral Hospital. She is the 22° f traffic fatalit, in Hancock hir), bear fit, hical chapter ounty this year

> Miss Retz and two ther Gulf Park students, Mis. (rery) Amyx, 19, and Susar McLarael, 18, had spent Thanksgiving helitays with their parents in Fort. Worth, They had been met at Moisant Airport by Frank I. Letker, II, of Long Beach, and he was driving them back to the school in a 1964 Volks sagen when the mishap occurred.

The Leiker automobile was the collision with a 1967 Cadillar, operated by Joel Conway of New orleans, as Conway attempted to make a left turn across the highway onto Nicholson Avenue. Mrs. Conway, a passenger, was treated for a forehead laceration at Hancock General and released. They had been married at 6 p.m. that day by Rev. L.F. Bollegar at Clermont Harbor

Methodist Church. Leiker was also treated for tacerations, and released. Misses Amyx and McDaniel wire admitted to Hancock General, where their conditions were listed as good on Wed-

nesday. Highway Patrolman A. S. kinner said the Volkswagen was demolished and estimated lamage to the Cadillac at \$300. Hearing for Conway will be 1 riday, Dec. 8, before Justice of the Peace Nelius C. Phodes.

they declared, and very few gas and water services. The record will further show

In the final analysis, this

Sincerely,

JAMES GINN,

MICHAEL D. HAAS,

J. NORTON HAAS, JR.

NICHOLAS M. HAAS,

Knowing the absolute neces-

sity of good drainage to any

street construction and main-

tenance program I could support

only a proposal that included

adequate and complete drainage

done by contract and leaving the

drainage to be accomplished

by city and county facilities has

too many uncertainties to be

acceptable. At best it would

take several years for the drai-

nage to be completed and our

new streets would suffer, again

Having the street surfacing

throughout the entire city.

voters of this City and not the

Jaycees or any other organi-

personalities.

Well, sir, tis a little quel.

As a charter member of the Bay Jaycees and one who worked hard to help make it the outstanding club that it has been I would like to take this opportunity to say a few words since it seems the good name of the club has been in the news of late. As far as I know the club has always worked for the good of

ditor, Sea Coast Echo

the community in the areas it thought improvement was needed. It always needed and obtained a majority vote on any project it undertook. A lot of those projects I voted against and was lefeated. But I either worked on the project or did not.

ment is doing their job.

that out of a present paid mem-ANDRE ARCENEAUX bership of 36, all eligible Jaycees, except six have signed the petition to call the election.

when it is he who has wasted entirely too much of our time The Council-Manager Plan of city government should receive top priority at this very whelming evidence all over this town of the lack of proper management. The qualifications for a city-manager are a masters degree in city administration and five years training and ex-

such a statement, especially

WHAT WE NEED! We need leadership and action on so many points of weakness that it will require the services of a well-qualified person in CITY MANAGEMENT to lead us back to a normal and competitive position so neces-

I am happy to endorse this new form of city government for Bay St. Louis and hope that we shall have the opportunity of supporting and voting on this important issue at an early

Sincerely yours, A. K. MARTINOLICH, SR. 304 Ruella St., Bay St. Louis.

Editor Sea Coast Echo: We would like to answer the letter of Charles E. Carter, jr., which appeared in your Nov. 23, 1967 edition. Mr. Carter, residing in Waveland, has misrepresented the facts and tions is in short supply. indicated he speaks for "many Jaycees." Let's leep the record straight. Mr. Cartor is the only -ilencared gaivloval at onw eno ties and emotions into this

omotionally involved. The record will show that this matter was rever defeatod "handly", although brought even no notice in order of the collection on seven Pal occasions but was pocinonad

iltions is, primarily, "bad streets." This being the case streets." it would appear that it would be in the best interests of the merchants, landlords, realtors, etc. to join in an effort to obtain good streets and drainage for requires also that each lerour city - they would be the in he properly signed by ones to receive the most direct the unter before it will be benefits by increased business insidered the suble all in and more profits. The over-all project could No letter as went of on

be paid for by the combination of two separate means a A front foot assessment on all streets that are to be resurfaced - not to exceed -?

per front foot. A general obligation bond issue, to be voted on by the people, to pay for drainage, incidental street repairs and im-

provements, etc. This would be the most fair and equitable way to distribute the cost, it is well within the means of our economy, and would give the tax-payers the opportunity to vote "Yes" or "No".

This is a time for constructive suggestions. Certainly better informed people could possibly improve on the above ideas, but we won't know of these better ideas unless they are made known.

Hoping that this might help to generate ACTIVE support in securing what is needed for our community, I am,

Sincerely,
LUCIEN RAYMOND Route 1, Box 12, Bay St. Louis, Miss.

Editor, Sea Coast Echo We are most grateful to you for the publicity given Hancock County's 1st International Trade Seminar. We feel this was a large contribution toward the success of this event.

Thank you very much. Sincerely yours, CAROLINE KIEFER, Manager, Chamber of Com-

NEL DUCOMB - Chairman Area Development Committee.

Bond vole...

(Cont. from Page 1-A.) declared. Council used their advice and debates in arriving at the decision to follow the "conservative approach and use county help," he noted.

The bond issue money will be used under contract and both county equipment and city help used on other facets of the job will be under the supervision of resident inspectors and the consulting engineers, Scafida continued.

Present figures estimated reconstruction of 29.1 miles of street pavement at \$473,265 on the 20-year design and \$421,219 on the five-year plan. Resealing 6.4 miles of existing streets is \$12,050. Major drainage and outlets amount to \$132.920.

The mayor and commissioners said they feel the program is a good one and are confident it will get the support of the voters. To answer questions of any civic groups, they are making themselves available to address clubs, etc., on the topic.

Westmoroland on the war

NOW as we were saving

When Coast Electric built its Headquarters Building in 1949—and moved into it in 1930 we were located out in the country. Now it is evident that in another ten or fifteen years we will be near the center of Bay St. Louis businesswise. We have considered moving our Headquarters location, but after considering all factors, we decided to stay right here. U.S. Highway No. 90 at Main Street

In 1949 we were serving less than 4 000 members - now we serve nearly 13 000 - and growing at the rate of approximately 850 customers per year. In 1949 we operated 9 yehicles in now we operate 31 vehicles, plus 9 other pieces of rolling stock such as trailers trencher chipper hot line tool carrier and two tractors. For the first time in more than 10 years we now have adequate garage space—and room to grow

In 1949 when we planned our present building our 3948 members in a typical month used a total of 382 251 KWH — an average usage of 91 KWH — In August 1967 our 12,692 members used a total of 9.829.730 KWH. an average of 774 KWH per member. So. you see not only growth in miles of line and consumers. BUT each member using over 8 times as much electricity as the average member did in 1949 - just 18 short years ago. More business, more accounts require more employees. More employees require additional office space and equipment

Incidentally if all our pole line facilities were stretched out in one long line it would be 2152 miles long - a far piece'

Our projections, and we admit we are optimistic about our area's potential, indicate that—our present growth pattern will continue and that by the end of 1975 we will be serving over 20 000 consumers — it will probably be closer to 22 500. We also estimate that with more and more homes converting to electric heat a electric water heaters, drvers, ranges and other appliances becoming universal — average usage will double — to 1500 kWH per month

When the member throws the switch, the electricity must be there. We update our Eng meeting Study every year. To plan ahead. Some large equipment we buy must be on ord er for 45 to 60 weeks before delivery, and so it goes

Back to building needs - we rented a building and opened a Process Assa Office es 1965. We plan to purchase a site in Picavune area and constinct constitution. fice there in the near future. Recently we purchased a size it of Franch Office in Harr ison County this some 5 miles North of Gullport. We ye be ated a trailer on the Site and operate 7 personnel and 3 vehicles out of there. A personent by iding is plannes on fact preliminary plans for it are completed. All engineering folling operating and construction personnel as well as general wanagement are and well omain based at our Bay St. Louis Headquarters

One matter of which we are very proud all building constitution recently done in Bas St. Louis, and this includes the CREW VEHICLE BUILDING, has been done with our general funds, and so it belongs, mortgage free, to our members. This represents, in excess of \$250,000 of well planned, well constructed facilities.

PFOPLE It's people who do the work, use the vehicles the equipment, the facili ties that we have added and continue to add. Our employees, now 85 in number &to TOPS All skilled whether in handling high voltage so as to minimize outage time, or operating today's automated office equipment, and proud of their work

PLANT VALUE now in excess of 7 million dollars with an annual revenue of almost 2 million dollars

PAYROLL Approximately 1-2 million dollars in 1967

We don't mean to brag we are just naturally proud of our growth and we plan with optimism for our wonderful area's future

Please join us right here next week when we will conclude our attempt to ocquaint you better with facts and plans of your LOCALLE OWNED LOCALLE CONTROLLED ELECTRIC POWER ASSOCIATION

Thanks

Mrs. Joy H. Kevlin of holidays with her Christmas Tree

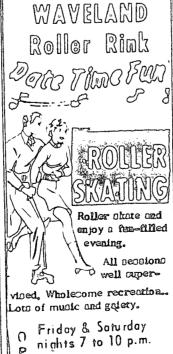

James Gabler and Joseph W. Joachim, jr., cousin of the Pontoon bridge sought for I-10

The contractor for the Interstate 10 bridge of East Pearl River has applied to the Army orps of Engineers at Mobile for permission to place a temporary pontoon bridge over the waterway during construction. Protests from a navigational standpoint should be filed with the Corps not later than Dec.

Fairchild and Snowden Construction (o. of Hattlesburg submitted the application. The pontoon bridge will be opened on signal to pass river traffic and will be left open when not in use. The temporary structure would be removed after Nov. 15, 1968.

A practical gift, That's practically

To some, a practical gift is as welcome as a rainy weekend To others, it's just the right answer

Here's a practical gift, that's practically perfect an A&P Gift Certificate.

A handsome certificate with a mailing envelope, available in all A&P stores all year long.

Offered in \$5 and \$10 denominations, these gift certificates will be honored in any A&P store in the United States.

When you think about it, practically anyone who buys food would welcome it

And here's the best part - no one can ever get too many of them

FEVERLY MCCRACUEN MADDLYN MILLER

What with Fourth of July type sumabline and temperatures turning Thankagiving into almost a summer holiday, just about anything we write would be sort of an anticliman. Bomires on the beach coursed the anticipated boiling about the hearth type activity, mosquitoes (please note (hris Elmore), and gnats, (and we're hoping someday, in some way, someone will attempt to eliminate these little nuisances) were the only marring factor to an otherwise perfect day. Unseasonable warmth, however, did nathing to lessen appetites and mammath amounts of turkey, dressing and the like were devoured to such an extent that few roamed after dark,

Thanksgiving bustle

Many weekenders dired with families in the Crescent City Thanksgiving Day, then dashed 'across the lake' as they cay. Some of these included Ida and Harry Blanks, Rose and Herb Discharry and Mary and John Rogach. Lillian and Jos Griffin dired with her family in New Orleans,

but were safely back in Waveland shortly after dark. Jums and Van O'Guinn, daughter and two some arrived to spend Thanksgiving with her mother, Polly (Mrs. James) & -

Lest we forget...last chance to purchase tickets for the New Orleans Philharmonic Symphony upcoming Monday night, Dec. 4. Don't forget, many are dressing to the teeth for this festive affair, but street clothes will do if you're not inclined to long

All's well that ends well

One doesn't usually expect to hear sounds of hilarity coming from the emergency room of Hancock General when the victim of a violent gasoline explosion is the patient. After hearing the big booms and all but choking on smoke that cut visibility to nearly nothing on U.S. 90 shortly after moon Friday, we feared the worst for driver of the huge truck demolished in the blast. Yet laughter and animated conversation floated into the hall. When Dr. M.L. Dodson and Gloria Breazeale emerged, followed by Robert Vowell bandaged only on both elbows, all three were beaming. They too had expected a number of seriously injured after hearing the noise and seeing the smoke which passed over the Bay like a big, black thunder cloud; and for the third time in less than a month the hospital had some on emergency preparation, so everyone was happy that nothing really tragic, except for the loss of a truck and trailer valued at over \$40,000, had occurred. Robert, who was tossed about 40 feet in the mishap, remained amazingly calm throughon the ordeal, and even allowed himself to be photographed beside the wrecked 'ruck while he waited for his employer to pick him up and tal ; him back to his Kenner home.

A great big hap y birthday wish is due Frank Simmons who cut his 80th bi thoay cake on Wednesday, Nov. 22. 'Uncle' Charlis Prest was headed toward Clermont Harbor to take him a bit of cheer on the big day.

Belle (Mrs. Clem) Penrose was feted by the birthday club girls on Wednesday, Nov. 22.

Lou and Winthrop Baker enjoyed a four-hour visit with their very busy son a couple of weeks ago. Sonny, and again, we hope he doesn't read this, had been in New Mexico on a business trip and arranged a lay-over between planes in New Orleans. He reserved a suite at the Sheraton-Charles so they could that in peace and quiet, and then they dired at Brennan's before his departure.

Claudia gets married

Claudia Klein resembled a dainty Dresden doll when she and Mike Lang were wed Saturday at St. Ann's Catholic Church in Clermoni Harbor. Her ivory satin full length gown featured long fitted sleeves of matching lace. Matron of honor and bridesmaids were similarly styled gowns in a lovely shade of soft green. Claudia, sr., (Mrs. Frank) Klein chose a most becoming golden beige with autumn hued accessories; Mrs. Honry Lang. Mike's mother, a striking print with pink accescories. The ceremony was solemnly impressive; but things began swinging at the reception at the Clermont-Lakeshore Conter. Delicious food and drink flowed seemingly unandingly and the lively music of the band had those of every age leaping show the floor.

of the guasts included Elsie and John Klein, Betty and Frank Klein, jr., Marie and Lee Klein, Ruble and John Bordages, Lila Saleeby, Gloria and Herb (better known as 'Floor Show') Peterson, Josie and Clarence Herbig, Sylvia Yost, Elaine and B.E. Steimle, Leah and Res Lang, Florence and Phil Curacci, Linda and Fred DoHaan, Sue and Kent Sellier; four generations of the W.J. Howard family including their daughter Alice and husband Pinky Mullor, their daughter, her husband and two children. Also Evelyn Favre, Mabel and Johnny Egloff, Lillian and Harold Carcia. The passed on the Word that Lil's daughter and David Smith of New Orleans had wed quietly the previous night; Joyce and Fritz Carcia, Bessie and Lester Haverty, who went to the coremony but had to return to the restaurant and missed the reception. TV personality Irvin Cuevas was also on hand, flambed by several pretty girls and many, many others, but the entire list would fill the whole paper.

Wo want to send the mother of the bride, the aforementioned Claudia, a belated happy birthday greating. She cut her calce

on Thanksgiving day, Nov. 23. Botty and Frank Klein, jr., also observed their 18th weddieg anniversary on Sunday,

forces in like vaves upon a bouch, we're reluctant to resistor any complaints, but feel forced once again to varn contributors that this column is not to be used for petty remarks. Regulars Like Darome Darome, the Waveland Reporter, and more or less new writer Tami Spirits, seem to be aware of what is and what is not in good taste, and their copy needs little changing or eliminating of items, in recent weeks, several anonymous callers have left items which might really hurt someone's feelings, and that we most certainly don't want to happen, Romances, names of those going steady, parties, birthdays, club efforts, etc make interesting reading, but if some negets stood φ' for instance, that's not grist for gossip mills, and we certainly ion't want to print such information.

Several young ladies learned a lesson they'll never forget some months ago. A highly questionable note came to, and fortunately, we smelled a rat as they say, and didn't use it. Several lays later a very meek little voice called asking that it not be used in the paper as one of those mentioned had been involved in a tragic accident.

More recently someone's idea of an unfunny joke was to announce a wedding that did not occur. Seedless to say, with parties involved and their sarents were most upset over rt - s isinf reation. We're much tox busy to screen what sounds like legitimate news, so we're asking for cooperation

from all of our helpers. A former Echo employe, pretty Becky Aguzin, dropped in for a visit Frilay and says college life is for her. She was elected vice president of her dormitory and was selected as a member of the student advisory council, even with all of these activities, and she's maintaining a B average at LSC in Baton Rouge.

How has Terry Best earned her new nickname-the tutor ??? New romances include Jeanette and Mike and Mickie and Mike H.

Pam has graduated from merely bouncing down the halls, she's now floating.

Who is wearing Billy Football's watch these days'
CF is beaming since a

MISS MELVA LUKE Melva Luke wins wings for Delta

Miss Melva Luke has "won her wings" and is now a stowardess with Delta Air Lines. Daughter of Mr. and Mrs. Leroy T. Luke, 333 St. John St., she completed the fourweek training course at Delta's Stewardess School at the Atlanta Airport and is now wearing the chic uniform and cap of the nation's fifth largest

From her base station of Houston, she will fly to many of the 60 cities served by Delta in 22 states, the District of (olumbia, and the Caribbean. Miss Luke was graduated from Bay High School and from Pearl River Junior College.

ring these days?

Who wrote Clark that most interesting note?

We're just discovering not only the fact that Bay High possesses a Spirit Stick, but also that the sophomores walked away with this prize at the last pep rally.

What's between S.P. and

D.P.?
Who is making all those long distance calls to C.C.?
Is R.H. expecting an important visitor during Christmas holidays?

Cookie 'somebody' was 15 the first week in November.
The 'mono' kid, Cat Crider
was finally 'sprung' Wednesday before Thanksgiving, meaning she was allowed out. She, Gene Greenwald, Maureen Stamm and David Hubbard took in the Shrine Circus in New Orleans to commemorate the occasion.

Susan Ryan celebrated making the dean's list at Southern by spending the holidays with her parents, Mr. and Mrs. James Ryan, Incidentally, she has completely recovered from last summer's football injuries. Catholic Youth Organization members will have a group

mass at 10 a.m. Sunday. Dianne Carver, homefor the first time since entering Incarnate Word College in Texas, was accompanied by five house guests during the Thanksgiving

Mary Elizabeth Green, daughter of Mrs. Earl Garda, proved she's wise beyond her 13 years when she picked up an eight month old infant with whom she was baby sitting and took it to safety after a gasoline truck exploded in front of the station managed by her father. Mary Elizabeth and the infant were in the building when the truck burst into flame.

Judith Peterson

morks first year

Judith Linnie Peterson celebrated her first birthday Nov. 21 with a party at the home of her parents, Mr. and Mrs. Edgar Pelerson.

Enjoying cake andice cream with her were Marie Kay Carter, Lisa Stoufflet, Kirk and Owen Bourgeois, Kevin Eld-ridge, Christy and Scotty Lively, Leonard Kelly, Tim Shiyou, Debbie Shubert, Tim Fayard and her sisters, Madonna, Tina and Kay.

OLF TIORS AND ANSWERS ABOUT THE XCouncil-Manador Plan of GovornmontX

How does the Council-Manager Plan of Gotternment function?

1. Primary responsibility for government is vested in the city council elected by the voters consisting of 5 councilmen and a mayor, which provides larger representation and greater protection for your best interest.

♦ 2. The repuncil determines general policies, enacts all ordi-A mances, approves the budget, levies all taxes, approves all appropriations, and employs a managor.

3. The manager employs all subordinate officers and om-Oployees except the attorney, the auditor, and the judge. The council may appoint the treasurer or may cologolo thin appointment to the manager.

4. The manager brents the work of all city or town om-Only years and they are responsible to him. The manager is() responsible to the council which employs him and may dis-

Administration is separated from the legislative and judicial functions of municipal government.

P ' BENVENTI

Benvenutti on retirement

Marines cite

Master Sgt. Peter J. Benvenutti retired from the U.S. Marine Corps after 20 years of service at ceremonies Oct. 31 at Jesuit High School in

New Orleans. A special certificate of commendation for outstanding performance of duty from the commandant of the corps. Gen. Wallace M. Greene, jr., was read and presented to Benvenutti.

The city of New Orleans, represented by Councilman Moreau, gave him a certificate of merit for his service to the city during his three years of duty there. Councilman Moreau also gave a gold key to the city to Mrs. Ben-

TO SAC POST Virman William R. Curry, jr., son of Mr. and Mrs. William R. Curry of 228 1 2 Kellar Ave. has completed basic training at Lackland AFB, Tex. Focus on an old fisherman and his yarns

Was a pleasure to cha. with

seph Son Rudolph, one of our Louis small crawfish are oliest and best commercial fishermen. Son was born in 13 3 and is still hale and hardy. He started fishing in 1905 when sailing boats were used as out board motors were unknown. He opened oysters for a living, opening 18 gallons a iay, being paid 20¢ a gallon. He and his fishing partner would row a skiff from the old derished birds. They are Junbar-Dukate Factory to Heron Hay to catch fish, using two sets

of pars. Son is a veteran of World War I and tells some weird war stories of that era. Being a captain of four-masted schooners his stories of trips in the water sound fantastic but are true. Those were the lays when men were men. Things have changed but Son is the same, healthy, happy and wise. A real sportsman.
